'Swell Day' Easter Is Predicted

But Killing Frost, Low Temperatures Are Forecast For Missouri Tonight

KANSAS CITY, April 15—(AP)—Killing frost or freezing temperatures are forecast for most of Missouri tonight, but the weather forecaster promised "a swell Easter Sunday" in all parts of the state.

In a warning issued this morning at 10 a. m. the district forecast center predicted killing frost or freezing temperatures in Kansas, northwest Oklahoma and all of Missouri except heavy frost in the lowlands of the extreme south-east corner of the state.

J. R. Lloyd, forecaster said temperatures would range from 25 to 30 in the north and from 28 to 35 in the south portion.

Winter returned to the state yesterday, leaving several inches of snow along the north border and brought temperatures down to around the freezing mark.

Cold winds, that made the low temperature seem even lower, Thursday brought snow during the evening measuring .05 of an inch. For a short time large flakes of snow fell thickly but melted as soon as they reached the ground.

The temperature dropped from 48 degrees in the afternoon to 28 degrees during the night. At 7:00 o'clock this morning the temperature had climbed again to 35 degrees and at 1:30 o'clock this afternoon had reached 42 degrees.

Predictions for a warm Easter are not to encourage with the weather forecast for very cold tonight.

Snowing
The new onslaught was accompanied by high winds that broke trees and windows in St. Louis. Snow still was falling this morning at Hannibal, where the reading was 32 degrees. St. Louis' low was 34. Kirksville's low reading last night was 31 degrees.

Tarkio reported three inches of snow and Oregon, Milan and Conception one inch each.

Snow flurries and winds up to 35 miles an hour were reported at St. Louis.

The weather bureau said the cold would be of short duration. Warmer weather is expected tomorrow and by Sunday the temperatures in the state will reach the 75 mark.

"It will be a swell Easter Sunday," Lloyd added.

Traced Name in Her Own Blood

MT. CLEMENS, Mich., April 15—(AP)—Too weak to talk, a stabbing victim traced two letters of her stepson's name last night with her own blood while police watched.

Then she died.

Officers immediately went to a nearby shack where they said they found Joseph D'Augustino, 39, burning a blood-stained shirt.

Prosecutor John Matthews said D'Augustino admitted the slaying of Mrs. Mary Graves, 73-year-old common-law wife of his father.

Mrs. Graves lay on the floor of her home for two hours before she was discovered. When police arrived with her husband Louis, she dipped her finger in blood and traced "J-O."

The husband then led officers to his son's shack. The 73-year-old man said his wife and son had frequent quarrels.

Admits Taking Money

BOONVILLE, Mo., April 15—(AP)—An inmate of the Missouri State Training School was charged with first degree burglary and larceny yesterday in connection with the theft of money from an apartment on the school campus.

The charges were against Alfred Mills, 18-year-old inmate. Prosecuting attorney Lane Harlan said Mills admitted breaking into the apartment and taking \$34.18.

The Weather

Clearing and cold with heavy frost to night. Low 15 to 20. Fair and warmer Saturday and Sunday. High Saturday near 60. High Sunday near 70.

COOLER

Temperatures: 7 a. m. 35 degrees; 2 p. m. 42 degrees.

Lake of the Ozarks: 5.0; Fall 2.

Sun rise 5:38 a. m. Sun set 6:49 p. m.

Nat'l Health Program May Go to People

Green of A.F. of L. Says Truman Will Talk on the Radio

WASHINGTON, April 15—(AP)—President Truman probably will take his plea for a national health program directly to the people, President William Green of the American Federation of Labor said today. He will ask Congress to act on it next week, the labor leader said.

Green was in a group which called on the President to present a report from a committee backing the President's compulsory health insurance program. The report contended that comprehensive voluntary insurance plans are blocked by "organized medicine's monopoly controls."

Talking with reporters after the White House call, Green said definitely that the president's health message will go to Congress next week. He went on:

"And then he probably will give the people a message over the radio."

Green did not indicate the time for such a plea.

Planning a Fight

The word that Mr. Truman is planning to make a fight for his health program followed introduction of another measure by Senator Taft (R-Ohio) to which Green and other labor leaders took exception.

Green, James B. Carey, CIO secretary-treasurer, and Harvey Brown, president of the International Association of Machinists, called on Mr. Truman with Dr. Channing Forthingham, chairman of the committee for the nation's health.

Dr. Forthingham, former president of the Massachusetts State Medical Society, presented a report from his committee.

Introduced Soon

Senator Murray (D-Mont.), a backer of the President's health program, had said earlier that it probably would be introduced within 10 days.

The report submitted by the Forthingham group said "monopoly" practices of the American Medical Association's state and county societies "are depriving American families of better and more comprehensive medical insurance plans at reasonable costs."

The American Medical Association is an outspoken critic of compulsory health insurance, calling it socialized medicine.

The Forthingham report said "special laws instigated by medical societies" have been enacted in 22 states, "in effect preventing the establishment of voluntary health insurance plans unless they are controlled by organized medicine."

War Games Next Month

WASHINGTON, April 15—(AP)—A series of war games starting next month will test air force bomber and fighter fleets—and the vulnerability of vital American industry to enemy attack.

Strategists have calculated that the initial blow by an enemy would be directed at slugging in to paralyze the great war munitions cities such as Detroit, Pittsburgh, New York, Chicago, Boston and Baltimore. Thus, the code name for the war games has ominous if not intended significance.

"Operation Blackjack."

Charleston Business Man Dies

CHARLESTON, Mo., April 15—(AP)—Simon P. Loebe, for many years prominent in business and civic affairs here, died today at his home of a heart attack. He was born here Oct. 16, 1869, and had spent his entire life in Charleston.

Two Families, 28 Persons, Join Church

ST. JOSEPH, Mo., April 15—(AP)—The Maundy Thursday baptismal service at the First Methodist church was considered unusual by the pastor, Dr. M. S. Harvey.

Of the 32 persons received into membership at the service, 28 were from two families. The largest group was that of the family of Mr. and Mrs. Ernest Butts, their two sons and wives, their daughter and her husband, their nine grandchildren and their nephew and his wife.

Advanced Another Notch

Barris and Riedel advanced endurance flying another notch from the historic January, 1929 flight of four army officers, who stayed up over Los Angeles for 150 hours.

The officers—later widely known generals—were Maj. Carl (Toony) Spaatz, Capt. Ira Eaker, and Lt. Harry A. Halvorsen and Elwood R. Quesada.

The flight so far has cost \$10,000. It is sponsored by the Chamber of Commerce of this little city of 18,000 whose businessmen chipped in for the expenses. Purpose of the flight is to point up the need for better airport facilities for the city.

Mail Romance Is Climaxed

CHILLICOTHE, Mo., April 15—(AP)—The once interrupted mail courtship of Robert Gibbs, 22, Carthage, Tenn., and Miss Bessie Lea Silkwood, 21, was climaxed yesterday with their marriage.

The two, both crippled, were married in the First Methodist church at Dawn, Mo.

They met through the mail. But when Gibbs arrived to visit his bride-to-be last fall he was arrested on a Tennessee warrant charging he had financed the trip with \$1,500 of his mother's savings without her knowledge.

Charge later was dismissed, and this time when Gibbs returned he said he had his mother's blessings.

A waiver of the three-day Missouri waiting law was obtained so the couple could obtain the permit and be married in one trip, their first off the farm of Mrs. Gibbs' parents, since the Tennessee youth arrived two weeks ago.

Gibbs wants to get a job in this area so his bride will be close to home. She is confined to a wheel chair.

Visit 'Opening Into Hell'

TULSA, Okla., April 15—(AP)—A professor and his wife and seven students from the University of Tulsa will leave today to explore Arkansas' famed "Opening Into Hell."

According to Indian legend, the sink hole near Harrison, Ark., is a "place where voices come from the hole that spits fire."

Art Professor Martin Wisenanger and his wife Margaret hope to find bones of prehistoric animals since the 400-foot drop is a natural trap for creatures that might have stumbled into it during the ages.

Accompanying the Wisenangers are three girls and four boys, all of whom have written permission from their parents to make the two-day trip.

The group is equipped with cameras, shovels, ropes and other trappings for exploration and climbing.

Freud Woman Serving Five Year Sentence

FRANKFURT, Germany, April 15—(AP)—Gen. Lucius D. Clay today freed Mrs. Wilma Ybarbo, who had been serving a five-year sentence for killing her American soldier husband.

The American military governor ordered the Malden, Mass., mother "returned to the United States by earliest possible transportation."

"I do not believe Mrs. Ybarbo to be a vicious person and I am sure that the remorse of conscience will prove punishment enough in the days ahead," Gen. Clay said in a statement.

Donations For Hero Workers

SAN MARINO, Calif., April 15—(AP)—The men who dug for little Kathy Fiscus are being well remembered.

More than 2,200 letters have been received by the Kathy Fiscus Rescue Fund from virtually every state in the union. Mayor Clark E. Bell, chairman of the fund committee, said the first 200 envelopes opened contained about \$1,020, an average contribution of \$5.10.

Donations ranged from 10 cents to \$50.

If the average continues, it will mean a total of more than \$11,000 for the men who worked 52 hours to reach the three-year-old to who fell to her death 92 feet down an abandoned well.

New World's Endurance Record on Log

Fly on Toward Goal of Six Full Weeks in The Air

FULLERTON, Calif., April 15—(AP)—With a new world's endurance record on their log, Dick Riedel and Bill Barris dived on today toward their goal of 1,000 hours—six full weeks aloft.

They sailed past the 726-hour mark established in 1939 by Wes Carroll and Clyde Schlieper of Long Beach, Calif., and radioed to their home field here.

"We feel wonderful and the engine's purring as smoothly as it did on take-off 30 days ago," Riedel and Barris, however, did not officially receive credit for a new record until they hit the 727-hour mark at 6:44 p. m. (PST) yesterday. Barris was at the controls of the little Aeronca monoplane Sunkist Lady and swooped low across the field to salute the crowd.

"We'll see you in a couple of weeks or a month," the pilots told their wives over a loudspeaker on the field.

Traveled 65,000 Miles

Barris estimated the Sunkist Lady had traveled nearly 65,000 miles since taking off from Fullerton at 11:44 a. m. last March 15. On this, their fourth try at the record, Barris and Riedel added a new twist to endurance flying by heading cross-country to Miami, with their refueling crew traveling in a second plane.

The new record holders were congratulated by Carroll and Schlieper, the men whose mark they bettered. Carroll, now an American Airlines captain, and Schlieper, an air operations concern executive, shook hands from a jeep with the fliers as they passed the record. Two thousand spectators were at the airport.

Independence \$125,000 Fire

INDEPENDENCE, Mo., April 15—(AP)—A \$125,000 fire destroyed a three-story brick building and caused smoke and water damage to four adjoining structures on the town square last night.

One wall of the three-story building occupied by the Save-More Drug store collapsed, leaving A. Kaplan, owner of the store, estimated the merchandise loss at \$75,000. Loss of the building was placed at \$50,000.

George W. McChristy, Independence fireman, suffered injuries when he fell 10 feet from a roof while combating the flames.

Alertness of School Boy Causes Arrest

Of Youth Who Admits Taking Car From Illinois

Alertness of a school patrol boy, Jimmy Schmitt, 13, at Washington school, helped State Trooper Wayne Allman on the chase of an alleged automobile thief about 9:00 o'clock this morning.

The chase continued, with the driver of the stolen car, Pfc. Alan Wilfred La Rue, finally having an accident at Fifth street and Lamine avenue, jumping from the car and trying to escape on foot.

He was caught as he tried to find an open shed in which to hide, in the 300 block between East Seventh and Broadway, by Trooper Allman.

Jimmy is the son of Mr. and Mrs. M. J. Schmitt, 1818 East Broadway.

Shortly before 8:30 o'clock a car drove into the filling station of Aubrey Parks at California, Mo., and the driver said, "Fill it up." Parks had already put 11 gallons of gasoline in the car and was still adding gas, when the car motor was started and the driver suddenly sped off. Parks notified the home of State Trooper Harold Priess, who in turn called state patrol headquarters at Jefferson City.

Met Car Coming

The state patrol notified State Trooper Wayne Allman, who started east on Highway 50. About a block east of Engineer avenue, Trooper Allman, noticed the oncoming car with the Illinois license. He turned the patrol car around and began chasing La Rue, who had already started to speed up.

La Rue, AWOL from Ft. Sheridan, near Chicago, turned north on Engineer at a high rate of speed, and at Seventh street whipped the car around the corner and headed west on Seventh street, barely missing the school sign and ignoring the signal of the school patrol to stop for the sign.

The Schmitt boy said he knew something was wrong when he saw the highway patrol car turn off of Broadway onto Engineer avenue, and immediately began signaling west to Trooper Allman, who said, "The boy's tip-off certainly helped to keep the car in sight. I believe I would have gone on north if it hadn't been for the boy."

The two cars sped west on Seventh to the "dead end," then La Rue turned toward Broadway and west again. At Massachusetts avenue, he turned north with Allman close behind. At Fifth street, La Rue turned west and Allman followed west on Sixth street, feeling the man might turn back to try to make for the highway again.

Crashed Into Car

At Fifth street, when he started to turn right again, La Rue served to miss an oncoming car, and crashed into the front of a 1941 Ford sedan driven by Miss Evelyn Neitzert of R.E.D. No. 4.

La Rue jumped out of the car and started running. He ran up an alley between Fourth and Fifth streets to Massachusetts avenue, thence south, Allman following in the patrol car. At Seventh street Allman saw La Rue turn into an alley, he parked his car and started running after him, catching La Rue as he neared a small shed.

Both automobiles were badly damaged in the collision, but occupants of the Neitzert car escaped injury as did La Rue.

At police headquarters, La Rue told a story of having enlisted in the navy at the age of 15 and serving six years, getting out August 9, 1946 and enlisting the same day in the U. S. Army and being assigned to the quartermaster depot at Kansas City. He was recently transferred to Ft. Sheridan. He says he is just 23 years old and his parents reside in Detroit.

Going To Kansas City

La Rue told the officers he married a girl in Kansas City and that his wife is with her parents, R.E.D. and Mrs. W. C. Roofs of Independence, Mo. He said he stole the car to return to Kansas City. He also reported he went AWOL April 7, at which time the car was stolen in Highland, Ill. He then started his vacation tour which took him to Detroit, Mich., Toledo, Ohio, and back west to St. Louis and his capture in Sedalia. The car had the keys in it when he took it, according to La Rue's statement.

In the car, a 1942 Chevrolet coach, was an envelope with the name Stanley J. Fasci, 717 Deerfield avenue, Highland Park, Ill., however the ownership of the automobile, is in the name of Gertrude Fasci, according to Chicago police.

Merchants May Hit Record Easter Trade

Heavy Sales, Good Profits; Wondering About the Future

By Rader Winget

NEW YORK, April 15—(AP)—The nation's retailers are shooting for the biggest Easter season business in their history—and they may hit it.

Final figures tabulated within the next few weeks will tell the story. They might fall a little short of their goal. Even if they do, it still will be an Easter to be remembered for heavy sales and good profits considerably above a lot of satisfactory pre-war years.

The total of sales and profits actually is secondary right now in the minds of most retailers, especially department stores, clothing and specialty shops.

The big thing is adjustment to the new post-war buyers' market rapidly engulfing business. Can the merchant give customers quality and value they demand at prices they want to pay? The current Easter season is the primary test.

Yardstick to Use

In looking for a yardstick to measure how business is going, you have to remember that last year Easter was March 28 and this year it is April 17. Comparisons between the two years are warped by the different dates. March and April must be taken together to gauge volume.

The first week in March, department store sales were eight per cent under a year ago. But the week ended March 26 was off 16 per cent compared with Easter week in 1948. The next week they snapped back to plus eight per cent. On a cumulative basis, sales in early February were slightly ahead of a year ago but dropped back steadily to a level six per cent below March 26. Then they started a slow comeback.

Latest Figures

Latest figures compiled by Dun & Bradstreet, a statistical survey organization, gives this picture for sales during the week ended Wednesday.

In the country as a whole, sales were unchanged to four per cent ahead of a year ago. Northeast and northwest regions were ahead by one to five per cent, east and midwest were two to six per cent ahead, south and Pacific coast were three per cent below to one per cent above and the southwest was unchanged to four per cent ahead.

Going After Business

Merchants are finding out that they have to go after business with a hustle.

They are stressing value, quality, style, price, credit and everything else the customer wants. Price is the most controversial point. Merchants know they can sell at extremely low prices, but they can't make a profit. Balance between the two is the trick.

The big mail order houses cut prices early in the year. Others followed for the spring trade. Still others promise reductions on fall lines. The trend is downward.

Customers in some cases have held back, waiting for lower prices.

Drops Dead After Extinguishing Blaze

DETROIT, April 15—(AP)—Arthur Root, 65, employee at a large creamery, was told he was too ill to work.

His supervisor advised him to go out and sit in the sunshine.

Outside, Root spotted smoke coming from the plant. He grabbed a fire extinguisher and rushed up stairs to the roof, calling for others to follow.

The blaze was extinguished with only \$1,500 damage to the building.

As the last thin columns of smoke curled upwards, Root dropped dead with a heart attack.

Pick up Three Men; Release Them Quickly

ST. LOUIS, April 15—(AP)—St. Louis police picked up three men this afternoon for questioning in the gang-style slaying of Wolf C. Rimmann at Kansas City last March 24 but released them in about an hour.

It was planned at first to turn them over to the state highway patrol for a quick trip to Kansas City, but the plan was dropped in a hurry.

The police here reported the Kansas City police did not care to question the three.

Truman Dinner Speaker

WASHINGTON, April 15—(AP)—President Truman will make a brief, informal talk at a dinner here Tuesday night for volunteer workers the treasury's bond sales drive.

The White House said 300 to 400 will attend the dinner at the Hotel Statler. Mr. Truman will speak at 10 p. m., EST. (9 p. m. CST).

Pope Pius XII Makes Appeal For True Peace

In Palestine; Asks International Regime For Jerusalem

By Frank O'Brien
VATICAN CITY, April 15.—(AP)—Pope Pius XII made a Good Friday appeal today for "true peace" in Palestine and called for an international regime for Jerusalem.

In an encyclical on this anniversary of the death of Jesus Christ, the pontiff welcomed the Palestine armistice but said real peace had not yet been achieved in the Holy Land. He asked for free access to the city's holy places in his "redemptoris nostri" (From Our Redeemer) letter addressed to all Roman Catholic bishops throughout the world.

The United Nations has endorsed a policy of internationalization for Jerusalem. At present the old city is under Arab control and the new city under Israeli control. Neither side likes the internationalization idea.

Encyclical on Palestine
The pope's letter was issued as Federico Cardinal Tedeschini, archbishop of the Basileia di St. Peter, led a three-hour Good Friday service in the huge Vatican church.

The encyclical on Palestine said many pleas from "innumerable refugees" come to the pope, as well as "protests against the grave damages undergone by religious institutions."

The pope requested:
1. An international regime for Jerusalem and its surroundings.
2. Safe guarding and guaranteeing of all the holy places, "with a guarantee of free access and tranquil sojourn for pilgrims."

3. Liberty for all Catholic institutions of worship, instruction and charity.
4. Conservation of "all the rights that Catholics have acquired in many centuries in Palestine."

Stationed in Arkansas
Rec. Harold L. Skidmore, grandson of Mrs. Iva N. Connor, of 1102 East Eleventh street, has been assigned to the Fifth Armored Division for eight weeks of basic training at Camp Chaffee, Ark. Before entering the Army, Skidmore was employed by the Fair Floral Co., as a greenhouse worker. He is now assigned to Co. "D," 10th Medium Tank Battalion.

travels was that in Toledo, Ohio, he parked the car in a restricted parking zone. Police took the car to the "car pond" and later La Rue said he went to police headquarters and they told him his car had been towed in. "They asked me for the registration, and I told them the car wasn't mine, but belonged to my sister. I told them she was going to be awful mad at me if she learned I had gotten in trouble over parking. They let me have the car, after paying the tow-in charges and a two-dollar fine," La Rue said.

Charges Filed
In his possession were two receipts, one for the tow-in charge and the other for the fine, which had a printed notation on them of violation of Traffic Ordinance 9867.

Charges of larceny of an automobile and carrying concealed weapons were filed against La Rue, this afternoon, by Prosecuting Attorney William F. Brown, La Rue appeared before Magistrate W. M. Ilgenfritz and waived his preliminary hearing. He was bound over to the action of the April term of criminal court.

Unable to furnish a \$5,000 bond he was committed to the Pettis county jail.

La Rue, when arrested, had a German made .25 caliber automatic pistol in his pocket. The gun did not have a cartridge holder in it.

La Rue is being held in the county jail.

\$5,000 Damage Suit is Filed

A damage suit asking for \$5,000 was filed in circuit court this afternoon by Miss Mildred Dillon of Smithton against Mrs. Tish Taylor of Sedalia, doing business as Tish's Beauty Salon, 509 South Ohio and against Raymond Laboratories, Inc., of St. Paul, Minn., and George H. Meyer company of Kansas City.

According to the petition, on September 19, 1948, Miss Dillon got a cold wave permanent from Tish Beauty Salon as a result of which she received severe burns and injuries to her head, hair and scalp, and that she has suffered permanent injuries.

Attorneys representing the plaintiffs are J. H. Harned and George H. Miller.

Sedalia Girl Suffers Injury

BETHANY, Mo., April 15.—A bottle of hair dressing oil for women burst here late yesterday in the hands of Miss Patricia Collins of Sedalia, Mo., and the liquid which entered her left eye may have impaired, or even destroyed, vision from the optic, it was believed at a hospital to which Miss Collins was taken for emergency treatment.

The accident was at a cafe, where attendants said that the bottle "seemed to explode." Some of the contents struck a support pillar and bleached tan paint there almost white. Miss Collins' navy blue suit turned pale where the liquid struck.

Miss Collins had drawn the bottle from a pocket and was holding it near her face when the bottle burst, apparently without cause.

The above article appeared in this morning's Kansas City Times. The young woman, who states her name is Mrs. Gertrude Bryant, and her age 25, returned to Sedalia today and is with her parents, Mr. and Mrs. John Banty, 114 1/2 East Main street. She is separated from her husband, she states, and has a three-year-old son.

She said she was brought to Sedalia by Mr. and Mrs. Paul Whitehead, former Sedalians, now in business in Bethany. She stated she had stopped in Bethany with her cousin, Miss Pearl Ridener, and they were en route to Des Moines looking for work.

Mrs. Bryant, who states she was a beauty operator herself, said she purchased the liquid in Bethany, with the intention of bleaching her auburn colored hair.

She was in bed today at the home of her parents with bandages on her face.

Springfield Pupils Strike
SPRINGFIELD, Mo., April 15.—(AP)—Twenty-seven children in Sherwood school, at the southwest edge of Springfield, remained away from their classes today in protest of the school board's decision not to renew their teacher's contract.

Jenell Aton, 13-year-old girl who sparked the walkout which started yesterday afternoon, said they took their cue from a similar walkout which started Wednesday and ended yesterday at the Bolivar, Mo., high school.

The teacher, who presides over the fourth through the eighth grade at the rural school, is Miss Mary Rich. She declined to comment on the situation. In the lower grades, all was serene as classes proceeded today under the other teacher.

Traffic Cases
In police court this morning several traffic cases were disposed of with defendants either pleading guilty or failing to report and forfeiting their cash bonds.

Carl F. Kreisler, 1717 South Quincy, careless driving, pleaded guilty and was fined \$25 by Judge Harry O. Berry.

Elmo D. Kays, Versailles, careless driving, pleaded guilty and was fined \$25 by Judge Berry.

J. F. Waddell, 917 South Grand avenue, running a stop sign at Main street and Grand avenue, forfeited a \$5 cash bond.

W. S. Williamson, R. F. D. Sedalia, blocking an alley, forfeited a \$5 cash bond.

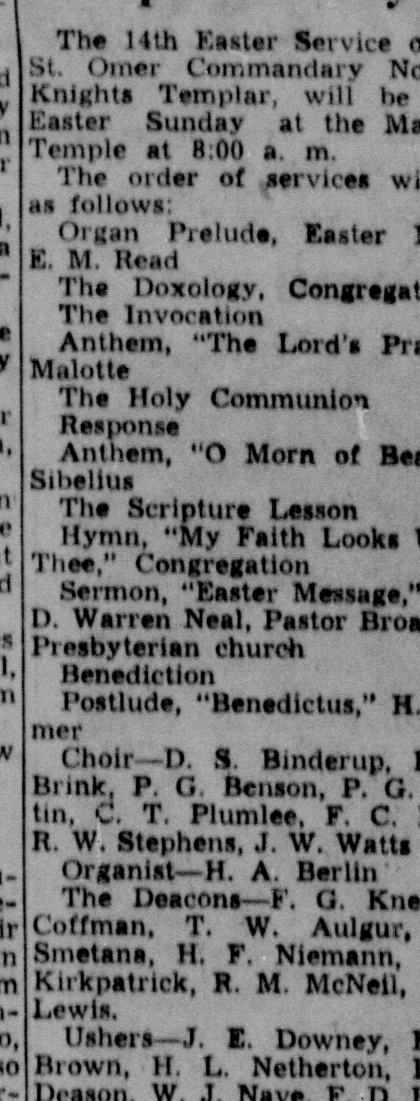

Plumlee will sing: "Does Jesus Care," "Crossing the Bar" and "Resurrection Morn." Mrs. H. O. Forker at the organ will accompany the quartet.

Burial will be in Crown Hill cemetery.

The body was taken from the McLaughlin chapel this morning to the family home where it will remain until the funeral hour.

Draft Board Classifies 98

Ninety-eight Pettis countians, mostly 25-year-olds, were classified during a board meeting last Monday at the local draft office, 605 South Massachusetts avenue.

Out of the total classifications, none were classified in 1-A.

Miss Grace Scott, in charge of the local draft board, said another board meeting will be held in two weeks for the same purpose of classifying draft registrants.

William H. Bunn is chairman of the board, and Herbert Studer and Charles McEniry, Jr., are members.

Sedalia Visitor Had His Troubles

An out-of-town business man, who arrived in Sedalia last night met with double trouble this morning.

Late last night he parked his car and left it overnight on Ohio avenue and registered at a local hotel. This morning when he went to get in his automobile, he discovered he had left the radio on all night and the battery was down.

On top of this trouble, he found a parking ticket stuck to the windshield for parking overnight on Ohio avenue.

Hal Boyle Says

By Hal Boyle
NEW YORK, April 14.—(P)—Who will have the last laugh in the Gadget Age—man or the machine?

Well, the machine is already giving a preliminary oily chuckle. For it is gaining... gaining... gaining on mankind. It is convinced it will laugh last.

This poor man's philosopher has repeatedly warned of the danger that lies in insidious machines—gadgets of all kinds that make men more comfortable but wear them from nature.

Recently I wrote that I had never learned to drive a motor car and never intend to. Why lose the ability to walk, as so many people who drive cars do?

Back Came a Postal
Back came a jeering postcard from Alliance, O.

"I didn't know anyone was so dumb. God must have been asleep when you was made."

I prefer to think that the Deity is weeping at what man is letting the machine age do to him. And what is it doing? It is gradually making him unnecessary in the world—by taking over his functions.

Laugh, clown, laugh. But listen, too:
Man functions by means of muscle, brain and heart. And by heart I mean emotion.

The machine holds an edge in the world of muscle. It has already replaced man there. Men are perhaps growing larger physically, but the tools in their hands are growing lighter and lighter. Eventually men won't have to lift anything.

Mechanical Brains
This is regarded as a boon—

Side Glances

By Galbraith

"Whenever your father and I quarreled, I'd rush downtown and start buying expensive furniture—of course we made up quickly because he always admitted he was wrong!"

the taking over by the machine of man's eternal labor burden. But now machines have taken the second step to supersede their creators—mankind. They can think. They have mechanical brains that can solve some problems quicker than a thousand brilliant men.

Today the brain of the machine is only in its infancy. How far can it go? No scientist can predict a limit.

But Dr. Norbert Wiener of the Massachusetts Institute of Technology, a world authority in this field, says thinking machines will make obsolete the unskilled human worker. He foresees completely automatic factories with assembly lines directed from a single control panel.

"The transfer to this thinking machine," said Dr. Wiener, "would not be essentially a bigger job than that done with radar in the last war."

Gave Warning
"It's a thing that may be very useful to a sane world, but it can't say we're living in one. It is a very dangerous thing socially. If we are going to sell man down the river and replace him, he's going to be a very angry man, and an angry man is a dangerous man."

And Dr. Wiener gave this warning:
"If it isn't going to be handled with a great deal of skill, it will be a period of great smash."

"The power is too great to entrust to any individual."

And so we stand—at the threshold of a new adventure. The lit-

le slave we blight so long ago is now challenging its master.

Only Heart Remains
The machine has more muscles than we have. Soon—very, very soon—it will have greater and more precise brainpower than the ordinary man has to meet and make the judgments necessary in a mechanical age.

What has man left to defeat the machine? Nothing but his heart, the one thing a machine lacks. But man hasn't lived by his heart in the sad history of his heart more can he avoid the doom of becoming a hired man of his own gadgets.

Otherwise the machine will laugh... and laugh... and laugh... until its gears creak

Looking Backward

Forty Years Ago

T. J. Kaler, for more than 15 years a member of the Sedalia fire department, and for several of them driver of Company No. 2 fire wagon, has resigned.

C. C. Lawson, secretary of the Merchants and Home Industry club, left today for Concordia, Mo., to deliver an address before the Concordia Commercial club.

Dr. S. S. Crow, a former Sedalian, departed for his home at Pasadena, Calif., following a visit with relatives here.

Prof. G. V. Buchanan, formerly superintendent of schools here, now of Joplin, addressed the Netherland club Thursday night on "How About The Boy?"

Rev. Perry E. Pierce came down from Warrensburg today for a visit with friends.

J. M. Johannes, the implement and hardware dealer, returned this morning from a business visit in St. Louis.

Hudson Reduces Prices of Autos

DETROIT, April 15.—(P)—Hudson Motor Car Co. Thursday became the seventh automotive concern to cut its prices in the last two months. Reductions of \$15 to \$100 on various Hudson models go into effect at midnight tonight.

General Motors, Ford, Kaiser, Frazer, Nash, Willys-Overland and Austin Motor Car Co. Ltd. were the other concerns to slash their prices in recent weeks.

Three Dead in Fires at Cebu City

CEBU CITY, Philippines, Friday, April 15.—(P)—This second largest city in the Philippines Thursday counted 3 dead, three seriously injured and 10,000 homeless in two big fires within 15 hours.

Both of the fires, which destroyed 1,600 homes—many of them thatched huts—were accidental. The first was attributed to a child playing with matches.

The second was traced to a woman who set fire to a mosquito netting while hunting for insects with a kerosene lamp.

Airlines Sues Plane Company

CLEVELAND, April 15.—(P)—Northwest Airlines, Inc., of St. Paul, charged in a federal court suit Thursday that Glenn L. Martin Co. delivered five defective planes and that one of these crashed—killing 36 persons.

Northwest brought suit for \$725,000 against the Martin Co., in U. S. district court, asking

\$480,000 for the lost plane and its equipment; \$250,000 for the loss of services of the four other planes, and \$25,000 in workmen's compensation for which Northwest Airlines became liable.

The petition said the plane crash involved occurred last Aug. 29 not far from Win n., Minn., and that 33 passengers and three crew members were killed. The airlines' petition said the left wing "tore off in flight."

CHRISTIAN SCIENCE CHURCHES
"DOCTRINE OF ATONEMENT" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 17, 1949.
Golden Text: John 1:29.

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And these signs shall follow them that believe: In my name shall they cast out devils; they shall speak with new tongues; they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover." (Mark 16: 17, 18) The Lesson-Sermon also includes the following passage from the Christian Science Textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Church is that institution, which affords proof of its utility and is found elevating the race, rousing the dormant understanding from material beliefs to the apprehension of spiritual ideas and the demonstration of divine Science, thereby casting out devils, or error, and healing the sick." (p. 582)

ST. PATRICK'S, Fourth and Washington. Father T. J. Nolan, pastor. Sunday masses 6:00, 8:00 and 10:00 a. m. Holy Day masses 6:00, 7:30 and 9:00 a. m.

Easter
When Mary Magdalene recognized the risen Savior on the first Easter Sunday, she cried out "Rabboni," which means Master. The woman who only a short while before had washed the feet of Christ with her tears and dried them with her long tresses was privileged to be the first to proclaim the power and the greatness of the Resurrected Lord.

There is a singular significance in the scene before the empty tomb. Since it was for sinners that Christ died, it was particularly fitting that a once notorious sinner should be the first witness of His triumph over sin. It is true that Mary of Magdala had long since given her heart in love and repentance to the Nazarene; but for all that when she stood before Him in the sunlit garden, she personified every sinner who had ever lived or was yet to be born.

In greeting the smiling Christ as Master, Mary spoke in one breath a prayer of faith, hope, and love. Not only did she profess her utter belief in the reality of Christ's Resurrection, but she voiced, in the name of all humanity, a confidence in the Savior's power and protection. Finally, her salutation was hushed and soft with that supernatural love which is Christ's reflection in the human heart.

Christ is still the Master of the world. His enemies nailed Him on a cross and mocked Him because it seemed He had no power to save Himself. But because His death was to be an act of infinite redemption, He chose to endure the ultimate torment, to be taken down at last, broken in body and apparently disgraced forever in the eyes of men. But on the third day came the fulfillment of the prophecy. Christ was in the world again—untouchable and unconquerable.

So we celebrate Easter as a festival of Christ's vindication and of man's hope and gratitude.

There are still men of evil who would crucify Christ again, who would lay Him in a tomb, to be remembered no more. But Christ cannot be killed anew. His spirit can never be banished. In our day, He walks, not in the flesh, as He did through the towns and villages of Galilee, but in the spirit wherever there are men asking to be comforted and strengthened. At Eastertide, particularly, it is well to remember that Christ alone offers assurance of ultimate victory over every tribulation and suffering. Over death itself.

Sunday School Lesson
Life Eternal: An Enduring Easter Lesson
By William E. Gilroy, D. D.
"If a man die, shall he live again?" was the age-old question asked by Job (Job 14:14). Successive generations of men have asked it and it has been answered in various ways, and with varying convictions.
Prophets and poets have answered it. The beautiful Twenty-third Psalm answered it by implication, for there could be little fearlessness and comfort in the valley of death unless there were hope of the life beyond. And a modern poet, Wordsworth, wrote of it in his famous "Ode on the Intimations of Immortality."
Spiritualists think they have found the answer in the demonstrable proof of communications from the spiritual world, the evidence that some who have lived and died are still living and speaking.
It is my personal belief that immortality is a matter of faith and hope, rather than of scientific proof, but it is impressive that scientists like Sir Oliver Lodge and Sir William Crookes believed strongly in the validity of spiritualistic phenomena, and that the high priest of spiritualism, Sir Arthur Conan Doyle, came to such a similarly strong faith after years of agnosticism, without faith either in God or in human survival.
The strongest ground of hope and faith in immortality is found in the New Testament, with its message of and concerning Christ. The message concerning Christ is as much the ground of that faith as the message of Christ Himself, for the one is intensively associated with the other. The Resurrection was the evidence of the deathless life of Jesus Himself, and it became to the disciples the clearest evidence of the immortality that He promised, "Because I live, ye shall live also."
An eminent British churchman, the late Professor Agar Best, wrote a large book in defense of the Christian religion, centering and reaching its climax in the contention that "the Resurrection is the best attested fact in history." Materialistic historians, or scientists, might question that claim, but from a spiritual standpoint the evidence is incontrovertible.
A group of disciples in the depth of gloom and despair because of the death of a Master upon whom they had set their faith, their hope, and their ambition, were suddenly aroused to new life, and hope, and vision by the conviction that their Lord was living and that they had seen Him and received His message. In that vision, faith, and conviction they not only went forth to the spiritual conquest of the world, but they went forth with their characters and outlook transformed. There was no more bickering about who should be greatest. They had found the eternal life of which Jesus spoke. For eternal life is a present possession. We should think of immortality, not in terms of mere continuance, but in terms of the quality of the life.
I shall never forget the dominant challenge of an Easter sermon by Professor Goslin that I heard some years ago. The preacher asked, pointedly, and I pass the question on to you, "What is in your life that is worth preserving or that deserves immortality?"

Pettis County Harmony Baptist Assn.

Opens a Joint Evangelistic Crusade Easter

The Harmony Baptist Association (Pettis County) is directing a simultaneous Evangelistic Crusade, beginning Easter and continuing through Sunday, May 1. Nine churches are scheduled to conduct evangelistic revivals at this time. They are: First Baptist Church, Calvary Baptist Church, East Sedalia Baptist Church, Pacific Heights, on East Broadway, all of Sedalia; Green Ridge Baptist Church, Smithton Baptist Church, Mt. Herman Baptist Church, Olive Branch Baptist Church, Walnut Branch, on West 16th Street road.

Pastors from various parts of the state will come to the churches to do the preaching each evening during the Crusade. They are: Rev. E. D. Owen, Sikeston; Rev. H. L. Alley, Sedalia; Rev. Eugene Pratt, East St. Louis; Rev. Morris Potter, McGirk; Rev. Ray Reichert, Calhoun; Rev. L. B. Hargrove, Sedalia; Rev. C. E. Goodnight, Barnard; Rev. Paul Murrell, Buckner; Rev. L. R. Lauderdale, Rocky Comfort.

Preceding the evangelistic crusade there were planned three rally meetings designed to build up to the beginning of the meetings.

On Easter Sunday afternoon, at the East Sedalia church, there is to be a general rally, from 2:30 to 3:30 o'clock in which Rev. James F. Heaton, pastor First Baptist church at Jefferson City, will be the inspirational speaker.

The Baptist Singerspiration will conduct a similar rally at the First Baptist church here on Saturday evening at 8:00 o'clock for all the young people of the churches.

Rev. Jack Stanton, of Moberly, will address the group.

There are 20 Baptist churches in Pettis county, with a total membership of 4300 members.

Easter Music By 40 Voices

There will be a special Easter service at the First Christian church Sunday morning at 10:40 o'clock. The chancel choir of 40 voices, directed by Mrs. H. O. Foraker, will furnish the music. The Rev. L. Ward McCreary will deliver the sermon. The sanctuary will be decorated with lilies and palms.

Cards-Browns Finish Spring Exhibitions

Two Teams Back In St. Louis For Renewal of Series

ST. LOUIS, April 15—(AP)—Their long spring training and exhibition grind completed, the St. Louis Cardinals and Browns were back home today for renewal of their annual two-game city series.

Both teams planned workouts at Sportsman's Park today. The games are scheduled for Saturday and Sunday.

The Cards closed their road tour on a sour note, dropping a 6 to 3 decision to the Chicago Cubs at Little Rock, Ark., yesterday. This gave them an even split in 30 exhibition games.

The Browns won their last road exhibition game, defeating Texas A&M of the Big State league, 9 to 1. It was the Browns' seventh straight victory over Texas opposition. The Browns' exhibition record is 17 wins, 13 losses and one tie. Against the major league opposition they have won 8 and lost 11.

PHILADELPHIA, April 15—(AP)—Connie Mack's pennant hopeful Philadelphia Athletics came home today to open a three-game city series with the Phillies.

The A's left behind them in the south one of their best spring training records of recent years. The Mackmen won 20 exhibition games this year while losing only six.

Manager Mack picked Joe Coleman to handle the mound chores in the first game of the city series. The second game will be played tomorrow and the third Sunday.

NEW YORK, April 15—(AP)—The New York Yankees, one of the biggest question marks of the American league pennant race and the Brooklyn Dodgers, a leading National league contender, open their annual spring series today at Yankee stadium.

Vic Raschi, who won 19 games for the Yankees last season, was due to oppose Ralph Branca, ace of the Dodgers staff.

The Yankees lost 2-1, at Cincinnati yesterday and Brooklyn

RICHMOND, Va., April 15—(AP)—Walker Cooper was expected to rejoin the New York Giants today after a medical checkup in St. Louis.

Larry Jansen, who will open the season for the Giants Tuesday, will get a final tune-up today against the Cleveland Indians. Jansen has been the only New York pitcher to show winning form this spring.

CHICAGO, April 15—(AP)—The White Sox and Cubs hooked up in their annual preseason set-to for the inspection of home town fans today.

Howie Judson was assigned to pitch for the Sox in the opening game of the three-game series. Dutch Leonard had the mound assignment for the Cubs.

Randy Gumpert's five-hit pitching job yesterday gave the Sox a 4 to 3 victory over the Pittsburgh Pirates and brought the team home with a spring training record of 15 victories and 14 setbacks. Gumpert went the entire nine innings.

The Cubs triumphed over the St. Louis Cardinals 6-3 at Little Rock, Ark., yesterday.

BOSTON, April 15—(AP)—Deadlocked in their city series — each with two victories, two losses and one tie — Boston's two major league ball clubs resume their rivalry tomorrow.

Yesterday the Sox whipped the Braves 6-2 as Ellis Kinder pitched a nice ball game.

Sailors Face Strong Football Schedule

ANNAPOLIS, Md., April 15—(AP)—Navy's football team, loser of eight games last season, apparently has so much strength this year that it might adopt enemy tactics — the two platoon system.

The Middle football squad "will be deeper and stronger" next fall, said Head Coach George Sauer after the Midshipmen wound up spring training yesterday with a scrimmage against Rutgers.

To back up this statement, Sauer disclosed "We're considering using the platoon system."

The sailors will need plenty of strength and depth this fall. They face another "no-breathes" schedule with Southern California, Princeton, Duke, Wisconsin, Pennsylvania, Notre Dame, Tulane, Columbia and Army booked in that order.

Home Runs Kept Coming In Drove

Fifteen Major Teams Hit 30 Home Runs In Games Yesterday

NEW YORK, April 15—(AP)—It looks like a good year for small boys who perch on rooftops around major league baseball parks. Home runs are coming in droves.

Fifteen major league teams—12 of them facing major league opposition—hit 30 home runs in exhibition games.

Four of the clubs hit three homers in a single inning. Only the Chicago Cubs failed to put the ball out of the lot at least once.

Murderers' row on the New York Giants—Sid Gordon, Johnny Mize and Bobby Thompson—blasted successive round trippers off Cleveland's Bobby Feller. The Indians retaliated with three in a row off Dave Koslo by Bob Kennedy, Jim Igan and Early Wynn. And for good measure Koslo added one for New York and Lou Boudreau and Mickey Vernon each had one for Cleveland. All this firing took place in Hickory, N. C.

Chicago Warps Pittsburgh

The Chicago White Sox whipped Pittsburgh, 4-3, at Memphis on the strength of home runs by Floyd Weigel and Cass Michaels. Each came with one on base.

Homers also decided the issue as Cincinnati edged the New York Yankees, 2-1; the Philadelphia Phils downed Baltimore, 6-3, and the Boston Red Sox beat the Boston Braves, 6-2.

Cincinnati's tallies came on a home run by Ray Mueller with a man on base. Johnny Lindell's circuit clout was the only Yankee counter.

Del Ennis, Eddie Miller and Stan Lopata all connected in the fourth inning for the Phils.

And Johnny Pesky's one-on-blast clinched the Boston city series game for the American Leaguers.

The Philadelphia Athletics got three in an inning against Savannah, Ga.—by Ferris Fain, Hank Majeski and Buddy Rosar.

Greenleaf in Cue Exhibition

Ralph Greenleaf, 17 times pocket billiard champion of the world, won two exhibition games "in a walk" at the Smoke House, Thursday. In the afternoon he defeated Tony Turner 125 to 22, with a high run of 79. Connie Michaelis furnished competition for the evening match, and sunk 69 while Greenleaf won with 125 and a high run of 34.

A large crowd of local pocket billiard fans attended each exhibition, and Greenleaf displayed some startling trick shots after the regular games.

Greenleaf is considered one of the greatest cueists of all time, and won the world title for the first time at the age of 19. He has had high runs up to 273 in exhibition play, and a run of 126 unfinished against Taberski in 1929, when he also won the title.

Memphis Chicks Were High Pennant Bidders

ATLANTA, April 15—(AP)—The Southern Association baseball pennant went on a 154-game auction today and the Memphis Chicks were apparently the highest bidders.

The Chicks, who play in Little Rock today, haven't won a Southern championship since 1930 and sports writers and team executives say this will be the Tennesseeans' year.

Atlanta — ranked as second choice for succession to Nashville's 1948 crown — opens the season in Birmingham where about 12,000 fans are expected.

Another 12,000 probably will turn out for Chattanooga's opener at home against the defending champion, the Nashville Vols.

This completes today's opener. Mobile was granted a request to delay its first game with New Orleans until tomorrow because of Good Friday. About 8,000 are expected for the game.

Little Rock looks for 7,000 today.

Business Fine After Hand Out of Suits

Tailor Was Nicked For 412 Suits in Football Contest

DENVER, April 15—(AP)—Harry Bitman, the little Denver tailor who was nicked for 412 suits in a fantastic football guessing contest last fall, is glad now that it happened.

"The publicity and good will I got out of that deal has more than paid the cost of those suits," he said. "Brother, is business booming!"

Bitman offered a free suit each week to any Denverite who could pick the winners of ten football games. For five weeks not a soul guessed them all. Bitman happily gave a suit a week to the fan who came closest.

Then fate lowered the boom. On one weekend in which football ran

phenomenally true to form 412 off. Bitman's dark cloud picked up a silver lining. Business grew by leaps and bounds. Since last fall, Bitman has had to build two new shops in Denver to handle the trade. "Everything sure turned out fine," he says.

Names of the winners were put in a fishbowl and Bitman started giving suits in the order of the draw. To date he has suited 264 people—an average of 13 a week. Soon after he started the pay-

The Daily Washington Merry-go-Round

by Drew Pearson

WASHINGTON, April 15.—Despite talk about the boys "needing a rest," real story behind the 10-day Easter recess of the House, beginning today, is that Speaker Sam Rayburn and Majority Leader John McCormack are sending their charges home for a "refresher" course.

Rayburn and McCormack are chiefly concerned over another GOP-Dixie coalition against repeal of the Taft-Hartley labor law, and they think some elbow-rubbing with the folks at home is the best preventive. The strategy applies to Republicans from industrial districts as well as Democrats.

Meantime, local AFL and CIO leaders are planning to give the returning politicians a stiff workout during the 10-day "vacation."

Rayburn and McCormack are keenly aware that the Taft-Hartley vote will be a crucial test they can't afford to lose. If they are to keep northern city Democrats in line on other administration measures. Ever since the GOP-Dixie coalition against rent control, there has been talk of a northern "revolt," or a coalition-in-reverse, in which northern Democrats would gang up with Republicans to block southern farm bills.

Rumbles of Revolt

At a dinner meeting with north and south freshmen Democrats last week, Rayburn and McCormack heard increasing rumbles of "retaliation" against southern coalitionists. This wasn't all cloakroom whispers. Quite a number of big-city Democrats, who believe in carrying out Truman campaign promises, have spoken out openly.

Among them are freshmen Democrats Anthony Tauriello of Buffalo, N. Y., and Earl Wagner of Cincinnati, who angrily told McCormack the time had come to "stop appeasing and start hitting back" at southern opponents of the Fair Deal program.

"I've had enough," bluntly asserted Tauriello. "I was elected on the Truman program and I believe in the whole program. I'm tired seeing the program delayed."

RUPTURE SHIELD EXPERT HERE

H. M. SHEVANN, widely known expert of Chicago, will personally be at the Bathwell Hotel, Sedalia, Wednesday and Thursday Only, April 20 and 21 from 9 A. M. to 4 P. M.

Mr. Shevann says: The Zoetic Shield is a tremendous improvement over all former methods, affecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatment of any kind.

I RETURNED home one late afternoon to find an eager, husky young Air Transport Command pilot waiting to see me. He was just back in this country from flying Lend-Lease over the Hump and he had been advised at the Field that Sonny was to be transferred. (It often happened that new applicants for our rooms would come to see us before the present incumbents had heard they were to be moved.) He wanted the Vicky's room for the bride he was about to marry.

Jean had wanted to get married before Rollo went overseas, but her parents insisted upon her waiting until she was 21. She had that birthday the same day he flew his 45th mission—his age plus hers. "Get it?" he said. It seemed to him like an omen of good luck, and now as soon as he cleared at the Field, he'd get leave and they'd be married.

I looked at his war-bary uniform, wings over the pocket, two rows of campaign ribbons heavily dotted with stars and oak leaf clusters, the brilliant red, white, and blue shield on his sleeve; at his thatch of blond hair, the premature lines around his eyes; the tense, nervous way he used his lips; and I thought there wasn't much sacrifice a civilian could make that such a boy hadn't earned and didn't deserve. I briefed him on what I should expect of him and his wife. (Why I wasted breath on such futility I don't know for I never anticipated what a new guest would do and what did happen was never in the pattern of what had happened.)

and undermined by members of my own party. A lot of us think it's time to start retaliating."

At the dinner, Rayburn and McCormack made strong pleas for harmony. Since then the grumbling has somewhat subsided.

GOP Hope

Oregon's bushy-browed Senator Wayne Morse, considered a black sheep by old guard Republicans, nevertheless has a strong though secret following in Congress.

This group not only takes its political cues from Morse, but is quietly boosting him for the vice presidency in 1952. He is the only Republican, they feel, who can take votes away from the Democrats in their greatest stronghold—labor.

Leaders of the Morse movement include such congressmen as John Phillips of California, H. R. Gross of Iowa and James Golden of Kentucky—all progressive Republicans. Morse, himself, did not learn of their support until he was invited to talk off-the-record the other day before a gathering of about 20 Republican congressmen.

With characteristic bluntness, Morse tore into the ills of the Republican party.

"This coalition with the southern Democrats is costly," he thundered. "We are now labeled the anti-human rights party."

The Oregon senator went on to denounce his party's leadership.

"I speak only of the senate," he declared, "but in the senate, we have a few who hold policy meetings. The rest of us read about it next morning in the papers on a dare called together at 10 o'clock to confirm it."

He accused GOP leaders in congress of playing turtle during the last election.

"It wasn't Dewey's job to defend the 80th Congress," said Morse. "It was up to our top leaders in congress. A lot of them suffered political laryngitis."

As for the GOP stand on labor, Morse snorted: "We've got an anti-labor label on our party, and we'll keep it until we liberalize the Taft-Hartley law."

"Why," he added, "the payment of \$7,500 for drafting the Taft-Hartley law is a subject of discussion in every local union in America."

Merry-Go-Round

Illinois congressman Harold Velde, who replaced Everett Dirksen in Washington, is quietly making good: none of the first things he did after election was to sit down with labor groups who opposed him and offer co-operation. . . . Credit Representatives Jackson of Washington, Mansfield of Montana and Kirwan of Ohio—all Democrats—were doing a great job in defeating the private power lobby during debate on the reclamation program.

Bill Rogers, dynamic counsel for the Senate expenditures committee, is a Republican. But he chalked up such a good record with both Republicans and Democrats that Democratic senators insisted he remain as manspinner of the committee. . . . Toledo, O., may be a typically American city, but it turned out more art admirers per capita than any other city in the USA to see the German masterpieces captured by the U. S. army. Toledo also did a great job in sending democracy letters to Italy—largely inspired by live-wire Mayor Mike Di Salle.

Vice Presidential Humor

Vice President Alben Barkley brought down the house with this story at President Truman's "harmony" dinner with freshmen congressional Democrats. Here is the Barkley story:

A minister sermonizing to his flock on the virtues of friendship inquired if there were any members of the congregation who could honestly say they had no enemies. An aged man with a

long beard arose in the rear of the church.

"Ah, I am glad to see that there is at least one among us who can answer my question," beamed the minister. "How old are you, sir?"

"One hundred and four years," "That's truly remarkable," said the reverend. "Do you mind

"Now do be a good boy, dear," she wrote, "and forgive me. It's going to seem awfully strange keeping house with another man and using all of the things we collected for our home, but I know you'd want me to be sensible and not throw them away just because of a little change in plans. I'll always love you, dear," she wrote. "It isn't that I love you less; only that I love Herbert more." She ended with: "How fortunate we are to have found out before it was too late."

.....

ROLLO read the letter three times before he crushed it in his trembling hands. He walked back and forth across the kitchen floor a few turns. Then he dropped limply onto a chair. "I think it wouldn't hurt so much," he said, rubbing his throat, "if I could cry."

Roger stuck his head in the door to ask if he could—no, to tell me he would—stay home for dinner. Since he had been commissioned, he ate a good many meals at the Officers' Club.

"Not tonight, Roger," I said. "Rollo's in trouble. I want him to stay."

"What's up?"

"His girl is marrying someone else."

"She loves me," Rollo said, hanging onto that comfort.

"Yeah, I know," Roger laughed. "Like a sister."

Rollo looked as though he'd had his face slapped. He bolted upstairs to his room and I ran after him. "Rollo! Rollo!" I called. "Rollo, don't give up yet. Maybe she isn't married after all. Maybe her parents wouldn't let her. If she'll just wait a little while, she'll see how foolish it is to give up a man she knows for one who has had only time to fascinate her. He's too old for her. Call her. Call her long distance, now. Talk to her. Make her promise to wait a while. If she'll wait, you stay home tonight."

Rollo put in his call, but it was Jean's mother who talked to him. Tearfully she told him that Jean had eloped the day before.

Airport Here Is Listed by CAA for Funds

Plan for Missouri Includes 125 New Airports

AP Special Washington Service
WASHINGTON, April 15—(AP)—The Civil Aeronautics Administration Thursday listed 192 locations in Missouri where, it said, airports should be constructed or improved on the basis of existing and anticipated demands for air service.

The Missouri listings are contained in the 1949 National Airport program, an annual report prepared by the CAA in accordance with the Federal Airport Act. The plan does not represent an allocation of funds.

However, the estimated cost of the construction and development for Missouri outlined in the plan would be \$66,151,000 of which \$27,901,000 would be in federal funds and \$38,250,000 in funds provided by the sponsor.

On the basis of appropriations made by congress, CAA will program for the coming fiscal year the most important locations in the plan.

Lists 125 New Airports
The plan for Missouri lists 125 new airports for which federal and local sources would expend an estimated \$40,181,000. Improvement to 47 of the state's existing airports would cost the same sources an estimated total of \$25,970,000.

City airports in this area mentioned are as follows: Sedalia Municipal, Appleton City Municipal, Booneville Municipal, California Municipal, Camden Municipal, Clinton Municipal, Columbia Municipal, Concordia Municipal, Eldon Municipal, Glasgow Municipal, Higginsville Municipal, Holden Municipal, Jefferson City Municipal, Lexington Municipal, Marshall Municipal, Memorial Municipal, Nevada Municipal, Osceola Municipal, Slater Municipal, Sweet Springs Municipal, Tipton Municipal, Versailles Municipal, Warrensburg (Sky Haven) Municipal, Warsaw Municipal and Windsor Municipal.

Four Accused Waive Hearings

ALBANY, Mo., April 15—(AP)—Four of seven Stanberry, Mo., residents held in the theft of nearly \$6,000 from the home of a slaying victim, Thursday waived preliminary hearings and their trials were set for the September term of circuit court.

Meanwhile no date has been set for the preliminary hearings of two other men, Harold Emrich, 21, and Freddie McQuinn, 34, both charged with the murder of Miss Mary Hammer, 83-year-old relict.

Prosecuting Attorney C. E. Ernst, and Charles Miller, Trenton, attorney for Emrich, said the date probably would be about May 21.

McQuinn, held in jail at Bethany, Mo., was reported by Sheriff Everett Bowman to have admitted in a statement that he and another man beat Miss Hammer to death with her crutch last January 20.

Harold Emrich's preliminary on a charge of grand larceny, originally set for April 16, was reset Thursday for May 21. His mother, Mrs. Elsie Emrich, 41, is charged with receiving stolen money. Ernst requested that her preliminary be recessed until after the two hearings on the murder charges.

In other actions Thursday before Magistrate Paul Brown, Columbus McCrary, 36, Thomas Beal 23, and Earl Emrich, waived preliminary hearings on charges of grand larceny from a dwelling, and Raymond Pettet waived his preliminary on a charge of receiving stolen money.

McCrary and Beal are being held in jail under bond of \$8,000 each. Each is charged with two offenses. Earl Emrich is under a \$4,000 bond and Pettet under a \$2,000 bond.

Calf Devours Income Refund Check

OKLAHOMA CITY, April 15—(AP)—Federal income tax refund checks are green.

Grass is green.

And one Oklahoma calf eats anything that is green.

That's why an Oklahoma farmer wants a duplicate refund check.

H. C. Jones, collector of internal revenue here, said he received

Students Stage Walkout

Students at Bolivar high school mass before their school building after walking out of classes to protest the dismissal of A. L. Priester, 47, principal of the Bolivar, Mo., school for the past 16 years. About 150 of the student body of 300 left their classes as word of Priester's dismissal spread through the school. The dismissal climaxed dissension at the school between the principal and Superintendent Ray Wood, Priester said. (Associated Press Photo)

Pleads Guilty In Safe Robbery

ALBUQUERQUE, N. M., April 15—(AP)—Robert Walter Elway, 28, Thursday pleaded guilty to a charge of stealing a safe with \$15,000 from Camp Chaffee, Ark.

U. S. Commissioner Owen J. Mowrey ordered him held on \$10,000 bond.

He was arrested here Thursday by Fed. Bureau of Investigation agents after city policeman Verlin L. Gallagher halted him for speeding through Albuquerque business district.

The FBI identified him as the third man sought in the burglary. He arrived here after a merry spending spree which led from Camp Chaffee through Kansas City and Oklahoma City.

But in his rush to spend the money—he bought a 1949 Buick convertible, expensive clothes and liquor—he forgot license plates for his car.

Gallagher said he intended only to warn Elway against speeding if he drove an out-of-state car. But when he checked he saw no license plates. Gallagher then asked for Elway's driver's license and recognized an alias the FBI reported his using—Robert Williams.

He was then arrested and the convertible impounded. He had nearly \$1,000 in his possession. Detective Chief Frank J. Stephenson quoted Elway as saying the cash, auto and other possessions all were made possible by robbing the Camp Chaffee safe.

The following information from an accountant representing the farmer:

"He put the check in his hip pocket and went about his work of repairing a fence in his feed lot. While working, a calf came up behind him, took the check out of his pocket and ate it."

One Dead and Thirty Injured

NEW ALBANY, Miss., April 15—(AP)—A midnight train collision left one person dead Thursday, 7 in a hospital and at least 23 others hurt.

The Rebel, light streamliner of the Gulf, Mobile and Ohio railroad, met a 110-freight head-on or a single-track line seven miles north of here last night.

Mail clerk Joe Cannon of Jyon, Miss., was killed when the Rebel's mail car telescoped with the engine.

Each engineer saw the other train and slowed down enough to avoid a more serious disaster. Engine crews leaped to safety.

Railroad officials tentatively blamed a misunderstanding of a signal for the accident.

Thirty injured were treated at Hayes hospital here. Seven remained there today.

The Rebel was bound from St. Louis to New Orleans and the freight from New Orleans to St. Louis.

Hangar and Planes Burned

ANTHONY, Kas., April 15—(AP)—Fire of undetermined origin raced through a 80x250-foot hangar at Anthony Municipal Airport late Thursday, destroying the hangar, all the equipment in it, and seven airplanes with a loss of well over \$50,000.

Col. J. Howard Wilcox, until recently commander of the Kansas wing of the Civil Air Patrol, now probate and county judge of Harper county, was the principal loser. He owned the hangar and

Selective Service Funds in Half

WASHINGTON, April 15—(AP)—The House voted Thursday to cut Selective Service system's operating funds in half for the year beginning July 1 since drafting of men for the armed services has been suspended.

A vote of 82 to 9 cut the allotment from \$9,000,000 to \$4,500,000.

The money is part of a general appropriation bill.

Seaman Dead; 10 Hurt in Blast

PEARL HARBOR, April 15—(AP)—One seaman was killed and 10 others injured seriously Thursday in explosion of a five-inch gun aboard the destroyer Hollister 40 miles off Pearl Harbor.

Thirteen men were inside the enclosed two-gun mount when the blast occurred. Force of the explosion blew off one side of the armored mount.

The injured, all badly burned and cut, their faces covered with bandages, were brought ashore. They were taken by ambulance to Aiea Naval Hospital.

Frontier headquarters said there was no detailed word on what kind of an accident occurred, or what operations the destroyer squadron had been conducting.

Presumably, however, there was an explosion in a two-gun, five-inch mount during firing practice.

Two men inside the mount escaped with minor injuries. The man killed was the gun captain of mount three. The names of dead and injured were withheld until relatives are notified.

Charge Operating Gambling Device

CARTHAGE, Mo., April 15—(AP)—An information charging a Webb City theater manager with operating a gambling device was filed in magistrate court Thursday by Max Glover, assistant prosecuting attorney.

Named in the information was Clarence McDonald, manager of the Dickinson theater at Webb City.

Glover said that last Friday night a game called dartaway was introduced in the theater. Patrons, he said, were given three darts to throw at a numbered board and those hitting the lucky number were awarded cash prizes.

After filing the information, Glover issued this statement saying an officer of the law will be in attendance at the Friday night shows at "which the game is conducted to apprehend any person or persons participating therein."

Eight New Ward Officers Named

CHICAGO, April 15—(AP)—Montgomery Ward and Company Thursday announced it had named eight new vice presidents.

The new officers were named at a meeting of the company's executive committee.

Action was taken after four vice-presidents resigned this week, following resignation of several others last summer.

The new men are: C. W. Anderson, retail manager; Morris Ginsburg, soft lines merchandise manager; J. C. Wagner, household lines and appliances manager; L. A. Webber, hardlines merchandise manager; A. R. Cahill, treasurer; E. A. Krider, controller; S. S. Ball, secretary.

Trusteeship for Paint Company

KANSAS CITY, April 15—(AP)—Control of the Cook Paint and Varnish company here was placed in a trusteeship under terms of the will of Charles R. Cook, chairman of the company's board of directors, who died recently.

The will was filed for probate Thursday. Earnings from the estate will go to the widow and two daughters, Mrs. Desmond Curran and Mrs. Esther H. Skinner, both of Kansas City.

The trusteeship is to be managed by the First National Bank and Robert B. Caldwell.

The company has plants here, and at Houston, Tex., and Detroit. No estimate of the estate was made in the will. In its annual report last November, the company, reported total assets of \$13,894,502. Its sales last year totaled \$29,700,393.

Dismiss Divorce Action

The divorce action of Ida Waller against Henry Waller was dismissed by the plaintiff in circuit court Thursday.

The man killed was the gun captain of mount three. The names of dead and injured were withheld until relatives are notified.

Four destroyers were firing in an anti-aircraft practice when the explosion occurred. Commander Robert McGoffin, the destroyer's commander, is from Golden City, Mo.
